COMFORT AND JOY

Christmas is about caring for those who are burdened and need rest

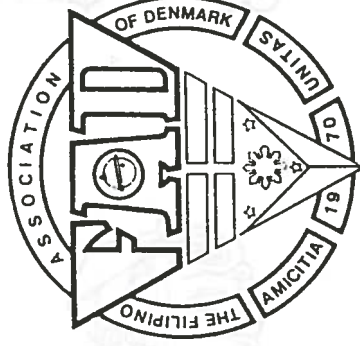

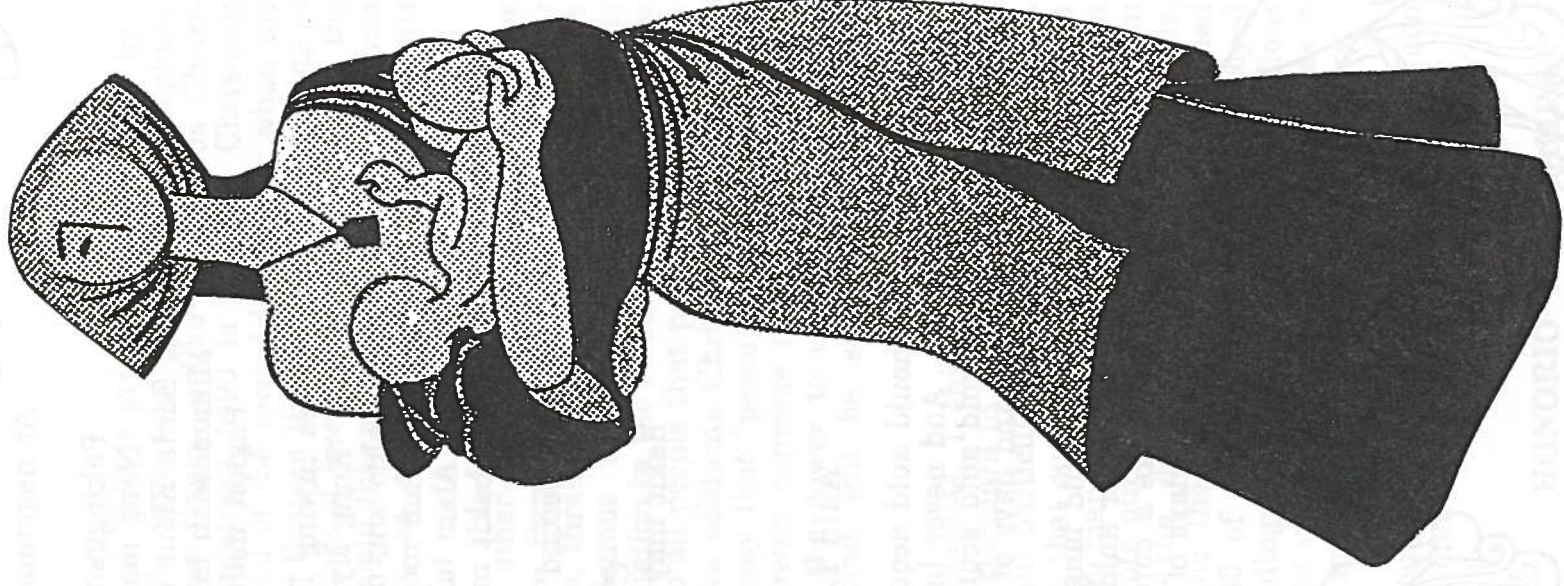

For those who are unhappy and need comfort. For those who are homeless and need shelter.

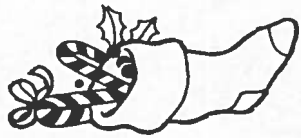

For the defenceless who need protection. For the young who need love.

For the old who cherish the memories of the past and for the weak who need to lean upon the strong.

It is for the poor whom the material blessing of life are denied and for the rich who are impoverished by knowing those blessings but nothing else. It is a time for reflection, for generosity of mind as well as money.

It is a time when those who can say "There but for the grace of God go I" remember those from whom the grace of God has been withheld.

Sino Si Santa Klaus

Sino si Santa Klaus ang tanong sa akin
Ng aming bunso na naglalambing
Bakit Pasko lamang namin kapiling
At nagmamahal sa amin

Pakinggan mo bunso
Nang malaman mo
Si Santa Klaus ay laging naririto
Minamasan lamang ugali n yo
Pagkat mahal niya kayo

Sa tuwing Pasko lamang
Kung siyay makita
At aginaldo ang dala n'ya sa tuwina
Alam mo na bunso
Alam lahat halos
Kung bakit may Santa Klaus

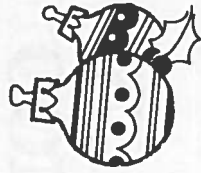

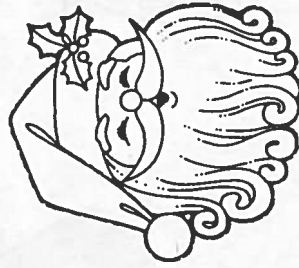

(Repeat second part until CODA)

Coda:
Bakit may Santa Klaus

Auld Lang Syne

Should auld acquaintance be forgot
And never brought to mind
Should auld acquaintance be forgot
And days of auld lang syne

For auld lang syne, my dear
For auld lang syne,
We'll take a cup of kindness, dear
And days of auld lang syne

MESSAGE FROM THE AMBASSADOR

Christmas 1990 is going to be celebrated by many people in a totally different atmosphere. Among other things, unlike in previous Christmases, Christmas 1990 is the first Christmas since the end of the second World War when the countries of Eastern Europe will be celebrating in an atmosphere of freedom and democracy. To the German people this will be their first Christmas to celebrate as a reunited nation and as one people.

On the other hand, in another part of the globe, - the Persian Gulf - the spectre of war looms large, threatening millions of people to a bleak Christmas if hostilities break out. The present situation in the Middle East is a constant reminder to all people that peace is a very fragile thing. As we celebrate Christmas this year, let's hope and pray that "peace and goodwill towards men" will reign supreme in the hearts of those who wield the power to make peace or war so that mankind will be saved from a terrible holocaust.

This Christmas, I enjoin all of you my compatriots in Denmark to pray for peace not only in the world but particularly in our beloved country. Let us pray that our country will be spared from natural and man-made calamities in order that we can devote our time, energy and resources in re-building the destruction caused by floods, typhoons and the July earthquake which killed almost 2000 of our countrymen and destroyed homes, buildings and infrastructure worth billions of pesos. Let us contribute our share, small as it may seem, in the rehabilitation of our country.

" Maligayang Pasko at Manigong Bagong Taon sa Inyong Lahat!"

HONORIO T. CAGAMPAN
Ambassador

MESSAGE FROM THE CONSUL GENERAL

It is again Christmastime - and again I am happy to extend to all of my best wishes for a Merry Christmas and a prosperous New Year.

Looking back at 1990, it has been a turbulent year. I think of the re-union of the German people, the Russian peaceful "revolution", the terrible earthquakes in the Philippines, and last but not least, the crises in the Gulf, involving - among others - a small number of Danes and a huge number of Filipino hostages who shall probably not be able to reunite with their families for Christmas this year.

We, who live in peaceful Denmark, are fortunate. Let us thankful and use the coming holidays to concentrate on friends and family and celebrate Christmas in the good, old way - and pray for a peaceful solution to the Gulf problem.

Unfortunately this year I am not able to participate in the Christmas party, but I wish all guests and organizers a joyfull evening!

Arne Simonsen
Consul General
Philippine Consulate in Denmark

MESSAGE FROM OUR CHAPLAIN

LOVING PEOPLE IS EASY
DOING FOR THEM PROVES IT:

That our newly elected officers may love and serve the members of the FAD and the Filipino Community, let us offer them our sincere prayers, good wishes and willing cooperation.

MANY OF US:

Have chosen to live many years of our lives together here in Denmark. There is no turning back. With our Danish host let us go forward into a deeper better spiritual, moral, and life together.

LIFE IS LIVED:

But once. There is no going back ... NO REPLAY:

May the peace of the Lord Be
Always with you,

Fr. Patrick J. Scheils C.Ss. R.
(Chaplain to the Filipino Community)

MESSAGE FROM THE FAD PRESIDENT

First off all, I like to thank you all for giving me once again the trust to take care of the FAD. I am elated to see the majority's eagerness and interest on FAD activities as enormously shown during the last election and "Barrio" fiesta. This only proves that many of us value and long for pursuits that are geared to enrich our social, political, cultural and religious conditions in our adopted country. This will surely serve as an inspiration for me and my new colleagues to come up with worthwhile projects in the next two short years.

It is an abiding irony of Christmas that reminds us of the Angel who appeared somewhere in the (Middle) East and heralded the those unprecedented words, "On Earth Peace To Men Of Goodwill". It is indeed a difficult act to preserve peace when the world we live in is burdened with poverty, inequality, pollution, plaque, greenhouse effect, hunger, human and natural abuses which are now being aggravated by the Gulf crises. We all have endless needs and sometimes carry them to become extreme greeds, then we try to find peace in the wrong places. As a citizen of the world, it can be simple to contribute to the gargantuan task of preserving peace by lowering our needs and find peace within ourselves. And when we find it, like ripples in a pond, we want to pass it on.

"Maligayang Pasko At Manigong Bagong Taon Sa Inyong Lahat!"

Benn Adriatico
President, 1989-92

MESSAGE FROM THE CHAIRMAN OF THE BOARD

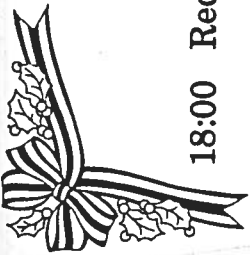

I take this opportunity to congratulate the new officers of our association and likewise the members who wisely put their trust on them. I am hopeful that with the members' enthusiasm and the officers' creativity and leadership, they are able to continue to enhance a good image of the Filipino immigrants and fight for the ideals the FAD stands for. More power to the new officers!

Every Filipino would admit that Christmas is the time of the year when he/she becomes homesick and nostalgic. No doubt about this because back home, we celebrate the merriest and longest Christmas in the world. To a Filipino, it is not just a time for gift-giving, shopping, reunions, dinner parties and holidays but more of a celebration of Christendom's most important event - the birth of our Saviour. It is sad to see that Christmas celebrations has become too commercialized which gave a kind of a trauma to many. Others exploit the "meek and mild atmosphere" of the season in order to fight for a selfish cause. We seem to keep forgetting that Christmas is a celebration of peace - that the peace can only be attained by following our Saviour's commandment: Love one another!

Merry Christmas and a Happy Prosperous New Year!

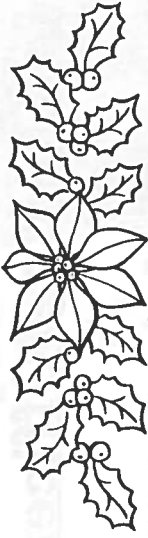

Albert Miraples
Chairman

In-Coming Officers, 1991-1992

Leadership is defined as the response to a certain need. A leader needs not to be an officer but also member who honestly and sincerely serves his/her fellows without expectations of a remuneration in any kind or honor. For honor is passing, treasure is consuming, and glory is evaporating. Only in caring and sharing can we achieve something that is long and lasting. The eight young officers below serve as promise for the FAD. As they go through the two year term, they will bloom and bear fruit to fulfill the promise.

They gave a genuine service - sharing their precious time, their efforts and sweat, their talents and even their treasure so the Association will continue to live. Like loyal guards, they stood by their post, come vicious gossips and high intrigues, and patiently carried on what FAD believes in. They will not be remembered individually for what they have done but they will go down in history as one of those who maintained very well the murals of the Association. Thank you and we hope to see you around.
