LUPANG HINIRANG

*Bayang magiliw,
Perlas ng Silanganan
Alab ng puso,
Sa dibdib mo'y buhay.*

*Lupang hinirang,
Duyan ka ng magiting
Sa manlulupig,
Di ka pasisiil.*

*Sa dagat at bundok,
Sa simoy at sa langit mong bughaw
May dilag ang tula
At awit sa paglayang minamahal
Ang kislap ng watawat mo'y
Tagumpay na nagniningning
Ang bituin at araw niya'y
Kailan pa ma'y 'di magdidilim*

*Lupa ng araw, ng luwalhati't pagsinta
Buhay ay langit sa piling mo
Aming ligaya na 'pag may mang-aapi
Ang mamatay ng dahil sa iyo*

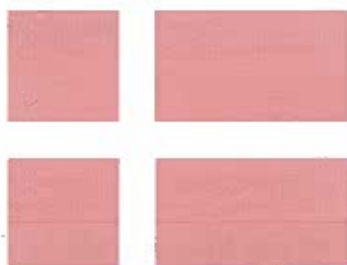

Der er et yndigt land

Der er et yndigt land, det står med brede bøge.
Nær sal ten østerstrand, nær sal ten østerstrand,
Det bugter sig i bakke, dal, Det hedder gamle Danmark,
Og det er Frejas sal, og det er Frejas sal.

Der sad i fordums tid, de harniskklædte kæmper,
Udhvilede fra strid; udhvilede fra strid;
Så drog de frem til fjenders men, nu hvile deres bene
Bag højens bautasten, bag højens bautasten.

Det land endnu er skønt, thi blå sig søen bælter,
Og løvet står så grønt; og lovet står så grønt.
Og ædle kvinder, skønne mør og mænd og raske svende
Bebo de danske øer, bebo de danske øer.

Hil drot og fædreland! Hil hver en danneborger,
Som virker, hvad han kan! Som virker, hvad han kan!
Vort gamle Danmark skal bestå, så længe bøgen spejler
Sin top i bølgen blå, sin top i bølgen blå.

Message

On the 12th of June in the year 1898, the Philippines the Land of our birth was consecrated by the blood of our courageous forefathers. It is to honour their memory that we commemorate year after year the declaration of our Independence, not in blind obedience to a ritual but to re-dedicate ourselves to the legacies of freedom, peace and democracy so dearly won for us by our heroes of the revolution against Spain.

As we commemorate the 106th Anniversary of the declaration of our freedom and stand ready to face the challenges of the times, I am confident that this special event will reinvigorate our sense of duty to contribute in the realisation of our common task of raising the quality of life for all our people.

May the Good Lord Bless and Keep you all....

Mabuhay ang puso at diwa ng malayang Filipino

Saint Anne's Church

AN APPEAL FOR SUPPORT

Background

During the previous years the Catholic Church in Denmark was getting support from the Catholic Church in Germany. As far as I remember, it was 5 million Dkr. yearly. But since the reunification of Germany, we will not receive help from them anymore. The Catholic Church in Denmark does not receive any help from the government, unlike the Lutheran Church, whose members have their "kirkeskat" automatically deducted from their income. As Catholics we are not expected to pay this "kirkeskat" to the Lutheran Church.

Do please check your "skatteopgørelse" (Income Tax Return form), to see if you have been paying "kirkeskat". Get a certification from your Pastor or Parish priest at Saint Anne's Church, stating that you are Catholic. Present this to your local tax office so that you need not pay this "kirkeskat".

Note: If you have been paying "kirkeskat" for the last 5 years or more, you can request a refund for the last 5 years.

Arrangements

Our Church of Saint Anne's in conjunction with our Bishop, Most Reverend Czeslaw Kozon is now appealing for your cooperation and support.

A new financial program is necessary so as to cover the expenses of our church, e.g. electricity, heating, water, allowances for the priests, their cars, gasoline, road tax, maintenance of the church and community building, etc. For example; this year's budget for roofing the monastery will cost Kr. 800.000,00. The weekly collection at mass

is not nearly enough to cover all these expenses. To enable this funding to work so that the Church can continue to serve the community, an agreement has been made between the Bishop's office and the tax office.

The Returnable Gift

The result of the agreement between The Bishop's office and the tax office is that we have now 2 options.

1. The Ten-Year agreement

By this agreement, the amount (e.g. 1200Dkr. or even up to 5000Dkr.) sent to the Bishop's office, can be **deducted totally** from the income tax. This amount can be sent through giro or via bank (PBS-betalingservice).

Note: You can cancel this agreement for some good reason, at any time – if for example your economic situation changes due to unemployment or illness; in both cases a written request should be forwarded to the Bishop's office.

2. The "Almindeligt Kirkebidrag" agreement

You can for example send 1200Dkr to the Bishop's office through giro or via bank (PBS-betalingservice), so as to avoid paying expensive giro charges.

However, in this agreement the first 500Dkr is not deductible from your income tax. Only the amount above 500Dkr. can be deducted (in this case 700Dkr).

This agreement is renewable each year. At the end of the year the Bishop's office will send a letter asking if you want to continue the agreement, to increase or reduce the amount.

The amount you send to the Bishop's office will be divided as follows.

- 70% goes to the Parish.
- 30% will be retained by the Bishop's office.

Thank you

We are fortunate to have this financial agreement between the Diocese and the tax office. It means a great financial support to the running of our parish and a help to the Bishop's office. We appreciate your cooperation in this matter and for this we are truly grateful. Some say that they are giving anonymously because they do not want recognition. It is a very noble intention and full of humility but it would also be a good idea to be registered as a Filipino contributor as are the Danish members of the community. In that way anyone can see that you are also giving your share to the community of Saint Anne's and that you are aware of your responsibility and thankful for the spiritual assistance you receive from the church.

Maraming Salamat Po. Thank you for your Goodwill, kindness, and support. May God reward and bless you.

In behalf of the St. Anne's Church,
